Belly Bands for dog

Belly bands are designed to wrap around a male dog's body and cover his penis. It is a physical barrier between his urine and your furniture. A belly band is in fact a dog diaper. Belly bands are not meant to worn constantly, but rather as an aid when you want to allow your dog inside the house without the headache of keeping a constant eye on him making sure he doesn't pee on your furniture. You should remove the belly band when your dog has to relieve himself outside.

If your dog urinates by exitation, this Belly Band is a very good means to protect your good. An advises, never to scold your dog by the fact that it urinates by exitation. Would not improve you your situation.

For a really Super Absorbent Belly Band we suggest using our disposable SureCare Pads they will hold a lot of urine before they have to be thrown away.

Our belly bands are machine washable, but remember to close the velcro before placing in the washer. We also recommend that you stretch the wet belly band, close the velcro and toss the belly band into the dryer.

Available in different designs and sizes. It makes a great gift for dog owners.

Security of Your Transactions and privacy of your personal information

K9Diaper have policies and procedures in place to ensure that information you share with us is handled in a safe, secure and responsible manner. We use encryption and other types of technology to protect and safeguard your personal information and transactions. This means that your credit card information goes through the internet using a code, and we are the only ones to possess the key to translate this code. None of your personal information will be divulgate to a third party.

Prices:

Prices, inventory and availability of all products are subject to change without notice. We reserve the right to limit or turn down sales.

Damaged goods:

Please inspect your package carefully upon receipt. Damaged deliveries should be refused and left with the carrier because damages occurring during the transit are the responsibility of the company making the delivery. If the condition of the package is questionable, ensure that the delivery person takes note of it before you sigh the receipt voucher. If you do not do this, establishing claims could be made very difficult or even impossible. Please, notify us immediately if you receive a damaged package.

Defective products:

Products must be inspected and tested upon receipt. If a product is found to be defective upon delivery or within the return period, it can be returned to our offices for replacement or a refund. After the return period, the product becomes the responsibility of the manufacturer according to the terms of the warranty. Keep your original bill as proof of purchase.

How to Return Merchandise to K9Diaper:

The return period is 30 days following shipping date. If you are unable to return the items within this timeframe, contact K9Diaper for an approved extension. Articles returned for a credit must not be open and must be in a suitable state for resale, with all components intact. It is the responsibility of the customer to ensure the article is well and securely packed so as to avoid damage during shipping. Postage and shipping costs for returns are the responsibility of the customer. All delivery, shipping and handling charges (unless an error has occurred in the shipping of your order) are non-refundable.

All product returns must have a Return Merchandise Authorization (RMA) number prior to shipping back to K9Diaper store. Merchandise must be in original condition with all tags intact and must be able to be resold.(i.e. NOT WORN or WASHED).

Customer agrees that all returned products will be 100% complete, in re-saleable condition, and will include the original packaging material, manuals, blank warranty cards, and other accessories provided by the manufacturer. If returned merchandise is found to be worn, credit nor exchange will not be issued and the customer will have to make
